

PITCHFORK

What a Wonderful

Year

TARAYOLINO

This Has to Be Our Year!!!

Self-Inquiry

**Let not soft slumber close my eyes,
Before I've recollected thrice**

The train of action through the day!

Where have my feet chose out their way?

**What have I learnt, where'er
I've been?**

From all I have heard,

from all I've seen?

What know I more that's worth the knowing?

What have I done that's worth the doing?

What have I sought that I should shun?

What duty have I left undone?

Or into what new follies run?

**These self-inquiries are the road
That leads to virtue and to God.**

Vol. 25

Alma Mater

Our dear old alma mater,
With greatest love to you
we sing,
Of days happily spent
underneath thy helping
wing,
May God in care divine,
Forever bless thy spirit's
flame,
And may the ones who from
thee go
Forever praise thee,
Praise the name of
Avon Park High

Pep Song

Fight on for Avon Park
We will cheer you on your way
Fight on for Avon Park
We will cheer you as you play

Rah! Rah! Rah!

As we march along
Along the road to victory
We're gonna fight with all our might
For dear ole' Avon
For the dear ole' red and white!

OUR FOUR YEARS

Our four years at Avon Park High are four years none of us will ever forget. We've all had our ups and downs, but when we reminisce, we realize that it has been the best time of our lives. As the years pass, we may forget names, but never faces. The good times we had at the dances, athletic events, and other social gatherings, will never be lost in our memories.

It was a bright September morning in 1970 when we trooped into Avon Park High School and hurried to our appointed homerooms. After a few bewildering weeks of meeting new teachers, rushing to classes, and asking directions, we were pretty well adjusted to the routine and began to enjoy our now familiar surroundings.

Our sophomore year had begun. Now we were giving directions instead of asking them. We chose 4 classmates, Sara Nunnallee, Gwen Elmore, Darlene Viets, and Paula Allen, to lead us through the year.

The summer weeks flew by, and now we were officially juniors. We made a big change from our old rambling, wooden Avon Park High School to the new Avon Park High School with its colorful, carpeted, air conditioned, rooms. The days were slipping past faster, and soon we were bidding farewell to our graduating pals, and looking forward to filling their shoes.

Now that we are Seniors we are not so anxious to receive our diplomas. As we reminisce, we remember the many tests, the rushing to classes, the lab periods, and the sometimes boring assemblies, but we also recall the friendly loitering in the halls, the cheering at the athletic events, and the dances afterwards, the dreamy, romantic night of the prom, and finally, the exciting, but still sad commencement. We have had our share of fun in your halls, Avon Park High, but we also learned to meet our future responsibilities with no fears, knowing that we have had excellent preparation. We will ever be grateful to you, and hope that you will never forget.

Happiness

Selling Junior Class popcorn -

Walking in a crowded hallway -

Enjoying a joke in class -

Walking with someone special -

Marching in a parade -

Being a part of the "In" crowd -

Is:

Seeing a Christmas tree for the first time -

Having a lunch break -

Studying in the library -

Having a birthday -

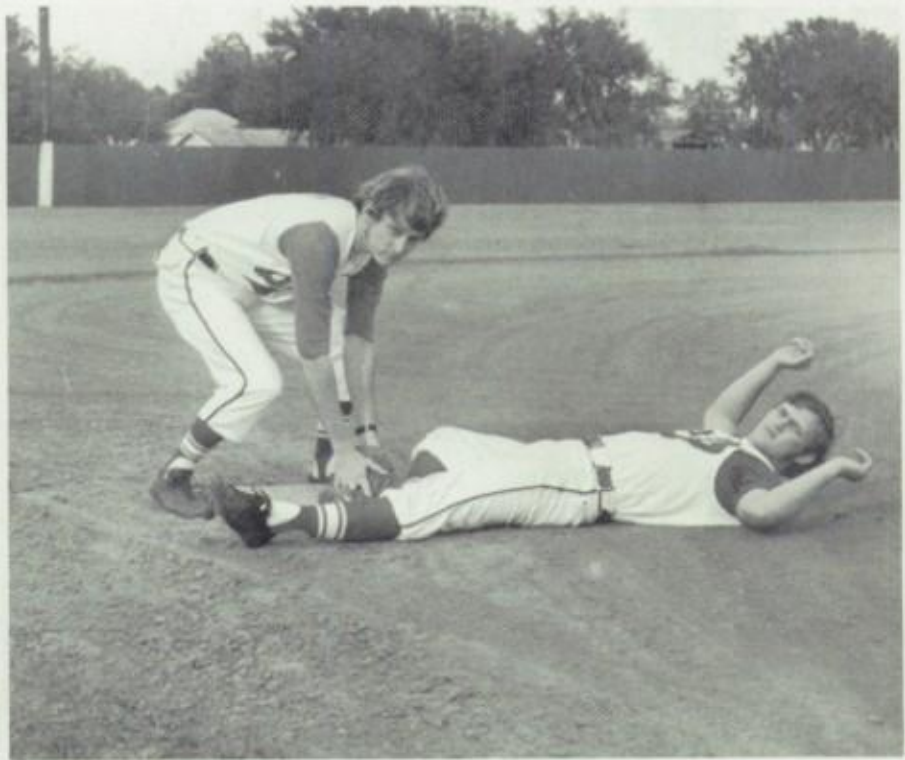

Being Miss Flame -

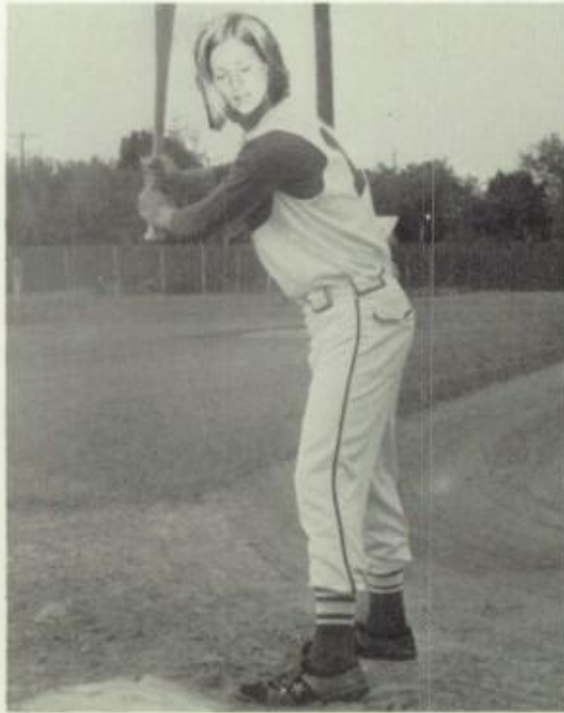

Putting on a skit.

**Up!

Away!!!**

Time for a Change?

Secret Ambitions??

To be young again -

To be a queen candidate -

To be a basketball star -

To be any kind of star -

To be head majorette -

To be head cheer leader -

So — What Else Is New??

These three studying -

A new language

A new use of the library

New transportation

A new service

A new lunch counter

A new basketball star

A new lounge

A new style

A new Physical Ed. sport

Homecoming queen

A lonesome pep rally

The meeting will now come to order - Is there any old business?

The flag has been raised every day.

What happened to our marquee project?

The mud goes into the foundation, not on the sidewalk.

This is the way it should be done.

So, this is a foundation!!!

Work on Major Project

Mixing mud is easy if you have a concrete mixer -

Someone has to supervise -

Look who's on his knees!!!

Who's afraid of heights - or work???

Master mason - Some people have all the talent -

We are proud of our finished project, aren't you???

I Met the Master Face to Face

I walked life's way with an easy tread
And followed where comforts and pleasures led
Until one day in a quiet place
I met the Master face to face.

With station and rank and wealth for my goal
Much thought for my body but none for my soul,
I had entered to win in life's mad race,
When I met the Master face to face.

I met Him and knew Him and I blushed to see
That His eyes full of sorrow were fixed on me.
I faltered and fell at His feet that day
While my castles melted and vanished away.

Melted and vanished and in their place
Naught else did I see but the Master's face
And I cried aloud, O make me mete
To follow the steps of those wounded feet.

My thought is now for the souls of men;
I've lost my life to find it again.
E'er since one day in a quiet place
I met the Master face to face.
